Subject: RE: Information on shark tank proposals to give NPD

All,

According to the info I have so far, here are the SED shark tank proposals.

Ex. 5 Deliberative Process (DP)

Ex. 5 Deliberative Process (DP)

Ex. 5 Deliberative Process (DP)

Kiran, Annie– please work with the MI's to see if they can vet the proposals through the NPD(s) tomorrow.
Caroline – since your proposal has already gotten the green light from Jeff, work with John K. to finalize.

Kiran, Annie, and Caroline – please send the final versions to me by 4pm tomorrow and copy Jay. I'll bundle them up and send them, plus the lead proposals, to Tim in one email before I leave for the day. If we are unable to obtain NPD concurrence for Kiran's and Annie's, we'll respectfully request that Tim consider submitting them on behalf of the lab.

Hope this plan works for everyone!

Subject: Information on shark tank proposals to give NPD

Hi all,
I spoke with my fellow MIs today about the shark tank proposals that their L/Cs are putting forth, and they have given the NPDs a pretty thorough explanation of the proposals they are going to send. I'm afraid that if I just send the NPD the list, below, that they will have a lot of questions, and may not give us their blessing. To that end, can you either send me the 1-pagers that your PIs have developed, or help me by providing the following info: 1) title 2) high priority agency need being addressed 3) brief description 4) estimated \$K needed, and 5) POC? I have a rough draft of the geophysics proposal, but I haven't seen any of the others.
Thanks,
Jennifer
